## Fresno County Federal Credit Union receives 2015 Datatrak Great Rate® Awards

Fresno County Federal Credit Union was recently certified with 2015 Datatrak Great Rate Awards® for several deposit and loan products. Datatrak is a financial research firm which maintains America's largest interest rate database comparing interest rates for over 100,000 banking locations nationwide.

In an analysis conducted by Datatrak as of March 18, 2015 comparing 184 banking locations in the Fresno California area, Datatrak certified that Fresno County Federal Credit Union offered 40 consumer banking products that outperformed the market average by up to 158%. Find out how much you can save by visiting [www.FresnoCU.com](http://www.FresnoCU.com). On the home page, you'll find a savings analysis on the bottom center of the page. Click on the product you're most interested in to find out how much Fresno County Federal Credit Union can save you over the market average.

### Auto loan rate analysis

\*Based upon a \$25,000 auto loan over 60 months, Fresno County FCU rates outperform the Fresno Metro average earning a [Datatrak Great Rate Award](#).
